

Professors!

Would you like to provide your course material in a convenient, portable, simple and cost effective form for your student?

Flash Publishing now offers to videotape your summary lecture or other class material for inclusion on DVD, audio CD, PDF text file all on one disc or USB flash drive.

Advantages to You, The Professor:

- ♦ No charge for professional video production
- ♦ Text, audio and video in one convenient media format
- ♦ Use to facilitate use of required online course material
- ♦ Royalty to professor or department
- ♦ Material handled through bookstores or online ordering

Advantages to Your Students:

- ♦ Low Cost -- much less than textbooks
- ♦ Text, audio, video all on one disc or drive
- ♦ Convenient -- Student uses his/her laptop
- ♦ Portable - no more heavy backpacks!
- ♦ Easy to install -- from one disc or flash drive
